We have been using the Suresmile technology for over a year now and are very pleased with the quality of orthodontics and the shorter treatment time it affords. It is the absolute standard of care in our office.

### NOTE TO PARENTS:

The "on-deck" or patient waiting room in the clinical area is specifically for patients. Parents please wait in the general reception area during the appointment time. If you need to talk with Dr. Maxwell, he will be glad to speak with you after the appointment.

**Back to School Poem**

Tw'as the night before school started,

When all through the town,  
The parents were cheering,

It was a riotous sound!

By eight, kids were washed and tucked into bed...When memories of homework...filled them with dread!

New pencils, new folders, new notebooks, too!

New teachers, new friends..their anxiety grew! The parents just giggled when they learned of this fright

And shouted upstairs...GO TO BED IT'S A SCHOOL NIGHT!
